

§ 203.206 Housing performance standards or criteria.

A Plan may contain housing performance standards or criteria for resolution of homeowner claims or complaints that are fair, reasonable, and consistent with the intent of the Plan, including Plan coverage under § 203.205. If a Plan contains such criteria or standards, they must be acceptable to the Secretary.

§ 203.207 Designated area.

The Secretary may designate any part of the country as a “high risk area” where construction practices allow basement slabs to be placed on expansive or collapsible soil. By virtue of this authority, the Secretary has designated the State of Colorado as a “high risk area.”

§ 203.208 Insurance backing criteria.

An insurance company backing or operating a Plan must be duly licensed or approved (and with the Plan filed and approved where appropriate) to market such insurance coverage by the proper regulatory agency in each State in which the Plan will operate. Any company operating under the Product Liability Risk Retention Act of 1981, as amended, will be regarded as having met licensing, filing, and approval requirements of all States, but must first demonstrate that it—

(1) Meets licensing, filing and approval requirements in its domiciliary State; and

(2) Meets each of the requirements of paragraphs (A) through (H) of section (a)(4) of the Liability Risk Retention Act of 1986 (15 U.S.C. 3901(a)(4) (A) through (H), (Supp. IV 1986).

(Approved by the Office of Management and Budget under control number 2502-0343)

§ 203.209 Payments under a plan.

(a) If a Plan issuer or insurance backer elects to compensate a homeowner for damage suffered by the homeowner’s property that is covered under a Plan in lieu of the Plan issuer’s making repairs such compensation must be made jointly to the mortgagee and the homeowner.

(b) If payment is to be made to the mortgagee and homeowner, the Plan

issuer first must receive the mortgagee’s assurance in writing that the mortgagee is satisfied, based on a showing by the homeowner, that the homeowner has made a binding commitment to have the necessary repairs made to restore the damaged property. If a homeowner elects not to repair his or her damaged property, then the mortgagee must apply the compensation in reduction of the outstanding indebtedness of the mortgage.

EFFECTIVE DATE

§ 203.249 Effect of amendments.

The regulations in this subpart may be amended by the Secretary at any time and from time to time, in whole or in part, but such amendment will not adversely affect the interests of a mortgagee under the contract of insurance on any mortgage or loan already insured, and will not adversely affect the interest of a mortgagee on any mortgage or loan to be insured for which either the Direct Endorsement or Lender Insurance mortgagee has approved the mortgagor and all terms and conditions of the mortgage or loan, or the Secretary has issued a firm commitment. In addition, such amendment will not adversely affect the eligibility of specific property if such property is covered by a conditional commitment issued by the Secretary, a certificate of reasonable value issued by the Secretary of Veterans Affairs, or an appraisal report approved by a Direct Endorsement or Lender Insurance underwriter.
